  - Employers' Liability Stop Gap
  - 60-day provision to notify us to add states where your clients have set up new operations
  - Voluntary compensation for employees not covered by state statutes
- Our extended option (available for a small additional charge) includes all the enhancement in our basic option plus:
  - Foreign Voluntary Compensation to protect employees who travel overseas
  - Increased limits for Employers' Liability insurance
  - A waiver of our right to recover from other liable parties if a signed agreement is in place requiring the waiver

## **Automobile Coverage**

When it comes to auto exposures, The Hartford offers a complete solution for building cleaning and maintenance service contractors. We cover owned vehicle fleets, as well as rental vehicles and non-owned autos. On every auto policy where we are covering vehicles owned by your client's company, we automatically attach our broad form endorsement. It provides additional coverage, such as lease gap coverage, glass repair waiver of deductible, extension of excess liability, and coverage to the employee who operates his/her personal auto on company business.

## **Umbrella Coverage**

The Hartford's umbrella coverage is designed to begin where our primary coverage ends, offering consistent, continuous coverage. The broad scope of coverage extends over primary general liability and auto liability. Umbrella limits are available up to \$15 million.
