Additional Coverage

Limited Pollution Endorsement

Many competitors do not offer this coverage or do not offer it for such a minimal premium.

For a nominal cost, this optional coverage provides limits up to \$300,000/\$300,000 for bodily injury, property damage, or cleanup costs arising from a covered pollution incident that occurs at a job site.

Umbrella

Carriers may not include broad coverages or higher limits.

Limits are available up to \$15 million. Having both primary and umbrella coverage with one carrier simplifies claim handling, eliminating potential gaps.

Property Coverage (Property Choice®)

Dependent Properties Coverage

Most policies do not offer this coverage.

Our policy provides contingent business interruption with an automatic \$100,000 limit, which can be increased.

Web Sites

Few carriers offer special Web site coverage.

A \$25,000 limit is provided for loss of business income resulting from the disruption of a Web site that is housed on a service provider's server. Coverage is provided for up to seven days, subject to a 12-hour waiting period.

Electronic Vandalism

Carriers may not offer this coverage or may provide it through a separate policy.

Our policy covers direct physical damage to computer equipment, media, data and software caused by viruses, hackers and other attacks.

Building Cleaning & Maintenance Service Contractors SPICE® Endorsement

Business Personal Property (BPP) at Unnamed Premises or in Transit

Offsite work creates exposures for property (goods in process or equipment) at premises of others.

We automatically provide \$100,000 in coverage for BPP per occurrence. Higher limits at one or more specified locations can be scheduled on the policy.

Business Income

Many policies apply separate limits at each location.

Our endorsement provides an additional \$25,000 limit of basic business income at scheduled premises.

Coverage for Employee Theft, Forgery & Alterations, and Money & Securities

Most property policies exclude this coverage.

Our policy offers a special endorsement that covers each of these with separate limits:
 > Employee Theft – \$50,000
 > Forgery & Alterations – \$25,000
 > Money & Securities – \$25,000

Workers' Compensation Coverage

Extended Options Package

Our extended options package ensures broad protection for your clients.

This endorsement offers waiver of subrogation, increased Employers Liability limits and more, all for a nominal charge.
