

Customized Insurance for Business Services

The protection you need to keep your business running smoothly

Protect Your Investment

Day in and day out you provide an important service to your community. Your customers depend on you to be there for them. Likewise, you should be able to depend on your insurance company to be there for you.

If your personal identity were stolen, could a poor personal credit report negatively affect your business? Could you afford to take the time away from your business to reinstate your identity? If a fire in your building shut down your business for a couple months, would your insurance pay the cost of relocating your business to temporary space so that you could continue to provide service to your client base?

At The Hartford, we are focused on protecting your business. By offering you coverages that may not be available in other policies, our small business insurance is truly designed with your needs in mind.

Planned For Your Needs

The Hartford's small business insurance package, called Spectrum®, has core business coverage that is second to none. We have also bundled important protection into optional packages like our Super Stretch for Business Services, which was created for businesses like yours. It provides over three dozen coverages for a fraction of the price you would pay to buy them individually – including a blanket limit of \$350,000 for six key coverages. Here are a few examples of the protection it offers:

- **Computers and Media**

Provides coverage for your computers, peripheral devices and media.

Coverage is also provided for the costs to research, replace or repair lost or damaged data and software as a result of covered damage to computer equipment, certain power failures, or a computer virus. Business Income Coverage also applies to computer equipment, data and software.

- **Employee Dishonesty**

Covers your business for loss of money or your property resulting from dishonest acts committed by your employees.

- **Forgery**

This coverage adds Forgery and Alteration by someone other than an employee, trustee or director as a covered cause of loss and defines Covered Property to include: checks, drafts, promissory notes or similar written promises.

- **Valuable Papers and Records**

Protects the value of your time, work and research to re-create your customer records or files if they are damaged or destroyed by a covered loss.

- **Laptop Computers (Worldwide Coverage)**
Extends property coverage to your laptop, palmtop, and similar portable equipment and accessories anywhere in the world, including while in transit.*
- **Business Income Extension for Web Sites**
Provides coverage for business income you lose when your Web site operation is interrupted as a result of a covered physical loss or damage at your Web site host's premises.
- **Computer Fraud Coverage**
Provides a basic limit of insurance against theft of money, securities or other property caused by fraudulent transfer by computer. Higher limits are available for an additional premium.

In addition, you have the option to buy this important coverage:
