

Customized Insurance for Dental Offices

Give your business insurance a check-up.

Protecting Your Investment

As a dental professional, your first thought is for your patients. As a business owner, you also need to think about the business end of your practice – and that can extend beyond your business operation. If your personal identity were stolen, could you afford to take the time away from your practice to reinstate your identity? Could a poor personal credit report negatively affect your business? What if the precious metals you use in your practice were stolen? Does your insurance cover that?

At The Hartford, we are focused on protecting your business. By offering you coverages that may not be available in other policies, our small business insurance is truly designed with your needs in mind.

Planned For Your Needs

The Hartford's small business insurance package, called Spectrum, has core business coverage that is second to none. We have also bundled important protection into optional packages like our Super Extension of Coverage for Medical Offices, which was created for businesses like yours. It provides over three dozen coverages for a fraction of the price you would pay to buy them individually – including a blanket limit of \$250,000 for seven key coverages. Here are a few examples of the protection it offers:

- **Accounts Receivable**

Protects you from the inability to collect outstanding balances as a result of lost or damaged records from a covered cause of loss. Included in your blanket limit.

- **Computers and Media**

Provides coverage for your computers, peripheral devices and media. Coverage is also provided for the costs to research, replace or repair lost or damaged data and software as a result of covered damage to computer equipment, certain power failures, or a computer virus. Business Income Coverage, if purchased, also applies to computer equipment, data and software. Included in the blanket limit.

- **Laptop Computers (Worldwide Coverage)**

Extends property coverage to your laptop, palmtop, and similar portable equipment and accessories anywhere in the world, including while in transit.*

- **Precious Metals**

Covers the precious metals used in your business, such as gold, silver, platinum and other precious alloys and metals, against loss by theft up to a specified limit.

*Not covered if checked as baggage.

In addition, you have the option to buy these important coverages:

- **Reimbursement of Legal Expenses for Disposal of Medical Waste**

If you are sued for allegedly violating a law or regulation governing the disposal of medical waste, this coverage will reimburse you up to a specified limit for your defense costs.

- **Reimbursement of Legal Expenses for Court or Review Boards**

Covers your legal expenses, up to a specified limit, in connection with any disciplinary action brought against you before any court or a state review board.

- **Umbrella Coverage**

Provides you with up to \$10 million of liability protection over and above the limits of other specified liability policies, including automobile liability, in your business program.

Spectrum Core Coverage

When your business is protected by Spectrum, you'll be covered for a wide range of property and liability risks common to your industry. Here are some examples:

- **Business Income and Extra Expense**

Reimburses you for your actual loss of business income for up to 12 consecutive months during the period of restoration following a covered loss to your property. Extra expenses needed to continue your operations, such as renting temporary office space, are also covered.

- **Equipment Breakdown**

Covers the cost to repair or replace equipment, such as computers, air conditioners, phone systems and steam boilers, from loss or damage caused by mechanical breakdown or artificially-generated electrical current.

Your Spectrum policy from The Hartford provides your business with legal liability protection against claims of

injury or damage caused to others by you or your employees. For example:

- **Employment Practices Liability***

- **Commercial Auto Coverage**

Our policy protects you against financial loss resulting from accidents involving the vehicles you use in your business. The Hartford offers valuable enhancements you won't normally find on other commercial auto policies, such as excess coverage for hired autos and the extension of liability coverage to vehicles leased in the name of an employee on your behalf and at your direction.
